UNIDAD DE VIDA, DECESOS Y ACIDENTES

La presente cobertura no ampara trabajos en minería subterránea (socavón).

**NOTA:** La presente cobertura esta sujeta a las condiciones señaladas en las pólizas y/o contratos respectivos, quedando sin efecto en caso que el contratante no cumpla con el pago oportuno de las primas del SCTR, en el entendido de que a la fecha de emisión del presente documento no existe siniestro alguno materia de reclamo.

Conforme al art. 24.2 del D.S. N° 003-98-SA, si el contratante declara remuneraciones menores a las consignadas en las planillas y boletas de pago de sus trabajadores (Incluidas gratificaciones de Julio y Diciembre), para el cálculo de la prima, incurrirá en un supuesto de cobertura insuficiente, y facultará a la aseguradora a solicitar el reembolso de la diferencia entre el importe de la pensión calculada con información declarada por el empleador para el cálculo de la prima, y el monto de la pensión que corresponde a lo efectivamente percibido por el trabajador.
